# Partner Certification Academies for SAP BTP Low-Code/No-Code Developer - SAP Build

Speaker: Cindy Zhan, SAP  
Slides: Milton Chandradas, SAP  
FOR INTERNAL SAP AND PARTNER USE ONLY

Note:

## Contents

This certification retires on November 30, 2025. Please stay tuned for the new SAP Build Certification, C\_SBDEV with updated content and exam, to be published early November.

### Certificate

If you take the current version of certification, it will be valid for 12 months.

**[C\_LCNC\_2406]** [SAP Certified Associate - Low-Code/No-Code Developer - SAP Build](#)

### Prerequisites Learning Journeys:

1. [Discovering SAP Business Technology Platform](#)
2. [Composing and automating with SAP Build the No-Code Way](#)

### Deep-Dive Learning Journeys:

1. [Creating Processes and Automations with SAP Build Process Automation](#)
2. [Developing Apps with SAP Build Apps using Drag-and-Drop Simplicity](#)
3. [Designing SAP Build Work Zone](#)

### Up coming:

[Introducing Joule Studio in SAP Build](#)

Note: for hands-on exercises in learning journeys, they are optional. You can use the simulated environment or actual environment. If you use actual environment and have no time to build everything from scratches, you can go to download projects here <https://github.com/SidiZhan/learning-journey-lcnc> and upload them to your SAP Build lobby.

This Academy is based on the contents being part of the preparation for the associated certification exam [SAP Certified Associate - Low-Code/No-Code Developer - SAP Build \(C\\_LCNC\\_2406\)](#).

Please note that learning journey content and certification exam questions change occasionally and it is your own responsibility to ensure you are up to date with the latest learning content.

# Intro

# Value of Partner Certification Academies

# Certification drives career growth and greater earning potential

**28%**

salary or wage  
increase

**61%**

promotion and  
job advancement

**76%**

greater job  
satisfaction

**76%**

increased respect  
from peers

**74%**

more work autonomy  
and independence

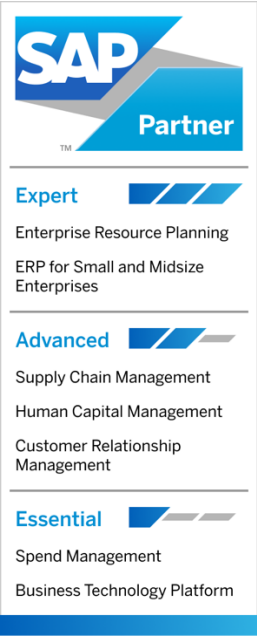

**91%**

increased  
confidence in  
abilities

# Certifications are key for the new Partner Competency Framework

## Visualization of Branding & Logos on Partner Assets

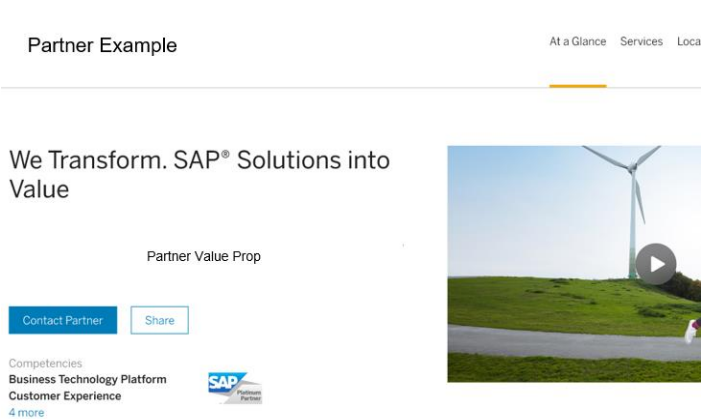

- Earned competencies, no specialization details

- Single earned competency, with earned specializations

Specializations	ESSENTIAL			ADVANCED			EXPERT			
	SOLUTION CONSULTANTS	DELIVERED PROJECTS	SPECIALIZATIONS	SOLUTION CONSULTANTS	DELIVERED PROJECTS	SPECIALIZATIONS	SOLUTION CONSULTANTS	DELIVERED PROJECTS	SPECIALIZATIONS	PARTNER IP WITH BTP
Database and Data Management	3	1	1	5	3	2	10	5	3	1
Application Development and Integration	3	1								
Analytics and Planning	3	1								

## Partner Finder

- Identify best fit partners based on experience and capabilities
- Customer to get competency and specialization details of each partner

# How does it work?

# Certification preparation

## from Learning Journey to Certification

The screenshot shows the SAP Learning website interface. At the top, there's a navigation bar with 'SAP Learning', 'Browse', 'Get Certified', 'My Learning', and 'Subscribe'. On the right, there are links for 'Explore SAP', a search icon, and a user profile icon. Below the navigation bar, a breadcrumb trail reads: 'Home / Browse / SAP Certifications / SAP Certified Associate - Low-Code/No-Code Developer - SAP Build'. The main heading is 'SAP CERTIFICATION · C\_LCNC' followed by 'SAP Certified Associate - Low-Code/No-Code Developer - SAP Build'. To the right, a box contains details for the 'THEORETICAL EXAM · C\_LCNC\_2406': 60 questions (2 hrs), 67% cut score, available in English, and the exam retires in Nov 2025. A red circle highlights the 'Sample questions' link. Below this is a 'Log in to schedule exam' link. A yellow box at the bottom right states: 'This certification retires on November 30, 2025. Please stay tuned for the new SAP Build Certification, C\_SBDEV with updated content and exam, to be published early November.' On the left, an 'Overview' section describes the certification and includes a 'See more' link and a 'Developer' tag. At the bottom, there's a section for 'Recommended steps to prepare for the exam' with left and right navigation arrows.

This certification retires on November 30, 2025. Please stay tuned for the new SAP Build Certification, C\_SBDEV with updated content and exam, to be published early November.

**Overview**

This certification verifies that you possess the ability to perform low-code and no-code development with SAP Build. As low-code/no-code developer, you are able to build advanced apps and SAP extensions using SAP Build Apps, consume SAP backend data and build your own data models. You can create automations and processes with SAP Build Process Automation and integrate them with other applications using APIs. Finally, you are also able to design business sites and integrate apps in SAP Build Work Zone to enhance user engagement and streamline business processes....

## Important Exam Process and Security Guidelines

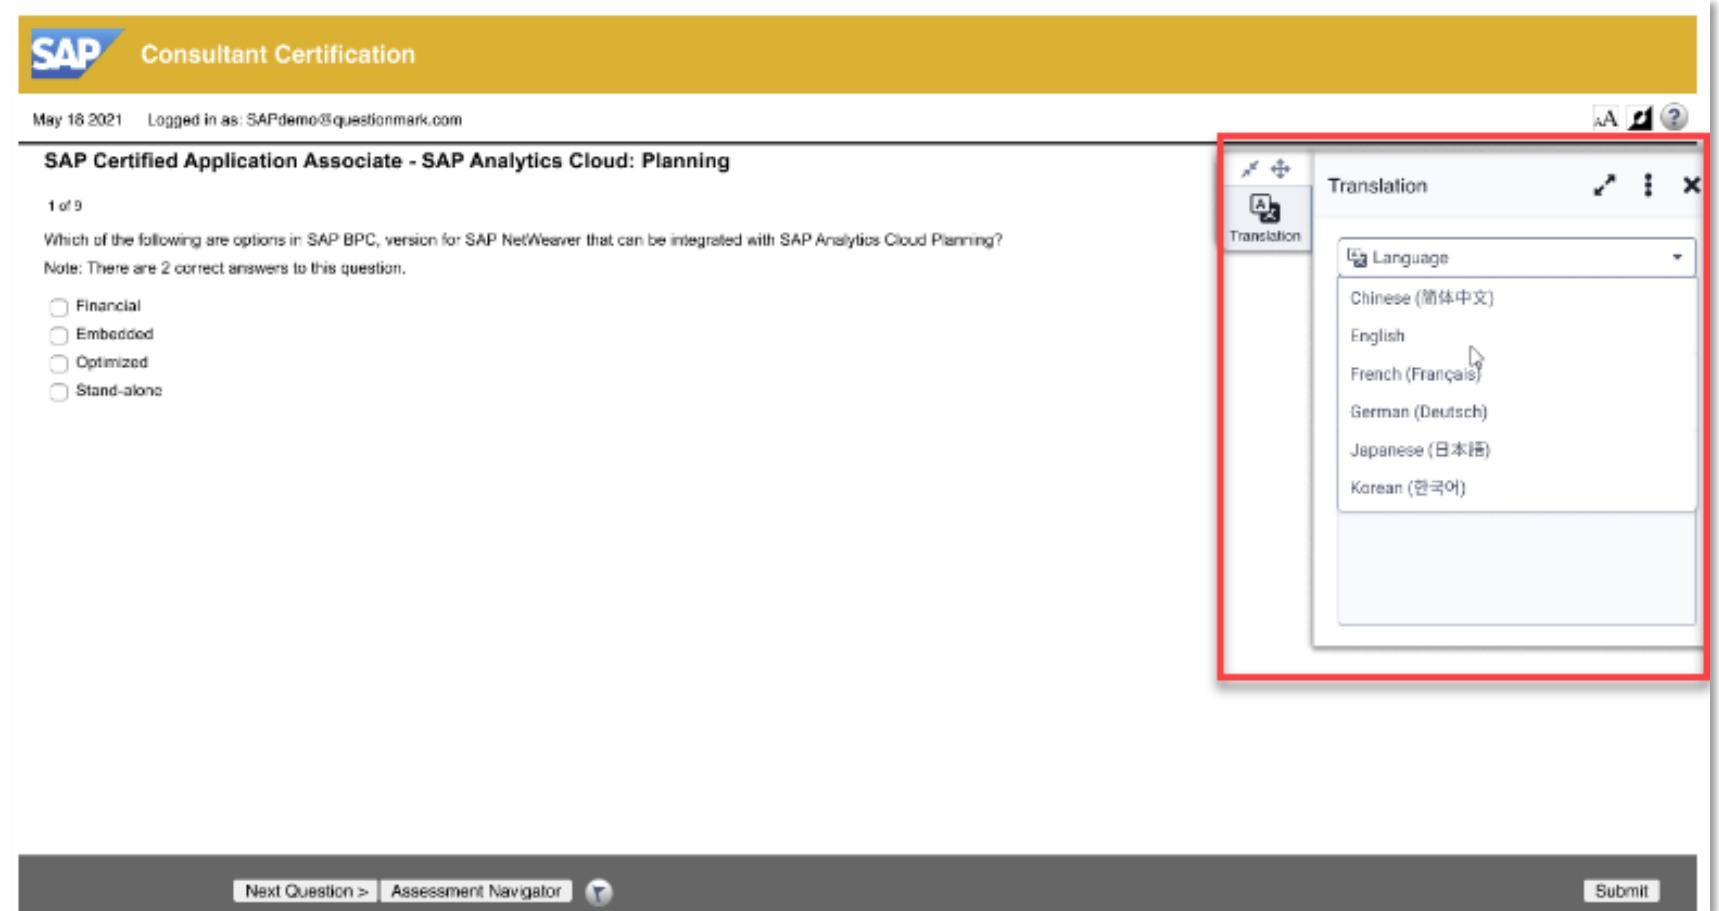

- An on-site exam:
  - is proctored in person by an exam supervisor
  - requires 2 forms of valid identification (not expired)
    - at least one government-issued photo ID
  - personal items (cell phones, bags, notepads, organizers, etc.) not allowed
- An online exam:
  - requires stable internet
  - is proctored remotely via Zoom (both webcam and entire desktop)
  - requires government-issued photo ID (not expired) via webcam
  - is only released by the exam supervisor after checking the exam environment
    - requires you to be in a quiet and secure room alone throughout the exam
    - you will be asked to rotate your webcam around the room
    - only one screen may be active.
    - cellphones/tablets and recording devices are forbidden
  - requires you use the Questionmark Secure browser to access the exam

More details [here](#)

# Take SAP Certification Exams in your own language

With a new translation tool, SAP can now provide real-time machine translation from English to eight other languages: Chinese, French, German, Japanese, Korean, Portuguese, Russian, and Spanish

Please read [this blog](#) for additional details.

# Purchasing certification exam attempts

Book your certification with product code CER006, CER001 or CERS01

The screenshot shows the SAP Training website for product CER001. The header includes the SAP TRAINING logo, user profile, language (German), and cart icons. Navigation links are 'Explore catalog', 'SAP Learning Hub', 'SAP Certification', and 'More'. A search bar is present. The breadcrumb trail is 'Courses & Curricula > SAP Certification Exam, One Attempt'. The main title is 'CER001 SAP Certification Exam, One Attempt', with 'One' circled in red. Delivery details: 'Delivery Methods: SAP Certification', 'Level: Certification', 'Languages: English'. 'Solution Release: 010'. A 'Chat Now' button is on the right. The bottom section includes 'Course announcements' with social media icons, 'Course information', 'Content' (subscription details), and a 'Book this product' sidebar showing 'Germany', 'Certification Hub Subscription', and a price of '200.00 € (EUR)' with an 'Add to basket' button.

# Partner Cloud Certification Initiative

## Global offering

This initiative supports partners in growing the number of certified consultants in their practice.

To provide you a simple entry into the SAP certification program, we offer, through this initiative, **a co-funding of the SAP Certification Exam, two attempts**, which you will use for your learning and certification. The funding is offered under the following scenarios:

- ❖ For certifying new consultants
- ❖ Partners must commit to certifying a minimum of ten consultants

## Co-funding through DF

SAP will reimburse costs of SAP Certification Exam, 2 attempts as follows:

- ❖ 60% of costs for new purchases of SAP Certification Exam, two attempts 2025.
- ❖ Maximum of DF is €20,000 per partner across all initiatives in 2025

Find all information, that you can share with your partners for them to apply, here:  
[Partner Cloud Certification Initiative | Innovation | Partner Benefits Catalog | Partner Marketplace \(sap.com\)](#)
